February 2025

**NATIONAL
APPRENTICESHIP
WEEK 2025** 10-16 February

Gain skills for life through an apprenticeship in Plymouth

February marks National Apprenticeship Week – a great time to learn more about the benefits of undertaking an apprenticeship and to apply for the many apprenticeship vacancies on offer with local employers in and around the city.

This Apprenticeship Bulletin has been produced to support young people and adults to explore the current live vacancies in and around the city. Apprenticeships are jobs with training. They offer a fantastic chance for anyone aged 16+ to earn as you learn, gaining on the job experience in a particular sector, whilst being supported by a training provider to gain a nationally recognised qualification from Level 2, up to degree level.

In this special edition, there are over 250 live vacancies that are directly linked to an employer, including:

- three in Accounting and Finance
- 16 in Administration, Business and Customer Service
- one in Agriculture
- five in Autocare and Mechanical
- 20 in Construction and the Built Environment
- 16 in Education and Childcare
- multiple in Engineering, Manufacturing and Marine
- eight in Hair and Beauty
- two in IT
- multiple in Public Services.

In addition to the vacancies advertised here, if you know an employer looking to take you on as an apprentice, we can connect you with a training provider to arrange the apprenticeship.
